

“Ask Me Anything” AMA:
Sam Sciacca
CEO at SCS Consulting, LLC

The screenshot shows a webpage for an IEEE Smart Grid AMA session. At the top left is the IEEE SMARTGRID logo. To its right is the title "IEEE Smart Grid". Below this is a navigation bar with links: "Discussions", "Promotions", "Jobs", "Members", and "Search". The main content area features a portrait of Sam Sciacca on the left. To the right of the portrait is a welcome message: "Welcome to our Ask Me Anything session on Smart Grid and Cyber Security. We'll be starting at 9:00 AM". Below the welcome message is the name "Samuel Sciacca" and his title "CEO at SCS Consulting, LLC". A paragraph follows, describing his expertise in utility automation and Smart Grid technologies, his 25+ years of experience, and his roles in IEEE standards and the SGIP Cybersecurity Committee. Below the paragraph is a "+ Follow Samuel" button. At the bottom of the post is a summary bar showing "Like (5)", "Comment (31)", "Share", "Unfollow", "Reply Privately", and "11 months ago".

Welcome to our Ask Me Anything session on Smart Grid and Cyber Security. We'll be starting at 9:00 AM

Samuel Sciacca
CEO at SCS Consulting, LLC

Sam Sciacca is a recognized authority on utility automation and Smart Grid technologies, and has been a speaker/adviser in these topics for over 25 years. He brings a global perspective to utility automation and Smart Grid efforts, and has spoken at numerous international conferences and gatherings in Europe, Asia and Latin America. He chairs two cyber security standards activities, IEEE 1686 and IEEE PC37.240 and is a contributor to the SGIP Cybersecurity Committee Working Group on High Level Requirements. Sam is also a member of the US National Committee of the IEC. In today's Ask Me Anything, the topic is Smart Grid Cyber Security.
